100% Tempranillo . Organic wine  
Young red wine

This young red wine has been obtained from Tempranillo grapes. These grapes have been grown under strict controls of organic agriculture and the wine has been made following the organic regulations in the winery.

It has a clean and fruity aroma, typical of the Tempranillo grape, (strawberries and blackberries), with a red purple – maroon colour.

In the mouth it presents itself extraordinarily gentle. Full bodied and with an excellent balance between the tannic and acidic sensations. The aftertaste is fresh, pleasant and long lasting in the mouth.

**Presentation:** Bot. Bordelaise 75 cl. Cases x 6  
**Production:** 40.000 bot. 75 cl.

100% Garnacha · Organic wine  
Young red wine

This wine has been produced by ecological agriculture under strict controls which apply the ecological standard rules at the winery. Young red wine, very aromatic and full bodied wine, with a perfect tannic structure.

Aromatically, it conserves the flowery characteristics of the Garnacha, with a good reddish-purple colour. It has a full flavour, slightly stringent, with some good mature tannins. This is a rounded and well balanced wine.

A wine in balance with environment that increases the quality of an original grape variety from our *Terroir*: La Garnacha
